2		The reasons for the selection of the candidate. Selection shall be with reference to the qualifications, achievements and merit of the candidate and not near 'winnability' at polls (not more than 100 words.	Candidate is a social worker and an active politician. Candidate is loyal to the party and an ardent leader with high quality. Candidate is very senior sincere and dedicated party worker who has already been on various important positions. the selected candidate is having degree from Calicut university and having an outlook for public administration.
3		Reasons as to why other individuals without criminal antecedents could not be selected as candidates (not more than 100 words)	All the criminal cases against candidate is politically motivated and baseless. Such cases are fabricated and without any evidence. None of the alleged cases involves any allegation of moral turpitude. candidate is the best choice to the Bharatiya Janata Party as he is highly qualified and he is into political life for decades. As a senior party worker candidate had an edge over other individuals a considering the fact that whatever the charges are alleged in the police report have no substance and are purely with a vindictive approach and political vendetta being waged by political enemies. the case is long pending and part believes that there will be no adverse outcome against the candidate.
